Statement Regarding Non-Signing Inventors

After diligent effort the signatures of two inventors, Eli Arviv and Penny Efraim, have not been obtained. Both of those inventors are believed to reside in Israel. A statement of facts by the person available with first hand knowledge of the facts in connection with the attempts to obtain the signatures of the two non-signing inventors, is enclosed.

A declaration signed by the other four inventors with the signature blocks for the non-signing inventors left blank is submitted herewith. It is requested that the declaration be treated as being signed by the four signing inventors on behalf of the non-signing inventors.

The statement of facts includes the last known addresses of the two non-signing inventors.

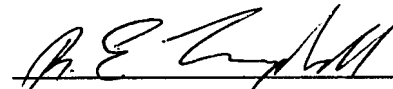

In summary, Eli Arviv has been sent a copy of the application and the declaration on at least two occasions. Email communications from Eli Arviv indicate that he received the documents at least the first time. Penny Efraim was sent the application and the declaration on one occasion and they were returned as undeliverable due to an insufficient address. Numerous
